

CAMPAIGN FUND of CANTERBURY PARK

FIGHTING FOR THE MINNESOTA HORSE RACING INDUSTRY

• The Campaign Fund of Canterbury Park •

The Campaign Fund of Canterbury Park exists to raise the voice of Minnesota's racing industry at the Capitol. The Fund supports elected officials, candidates, and political caucuses to help fight for the MN Horse Industry.

The Campaign Fund of Canterbury Park has an independent Board of Directors comprised of Canterbury Park leaders, horse industry representatives and long-time supporters of racing. The Board will be responsible to determine the distribution of all funds

• Fund Board of Directors •

CAMPAIGN FUND of CANTERBURY PARK

FIGHTING FOR THE MINNESOTA HORSE RACING INDUSTRY

Dear [First Name],

Thank you for your past support of the Canterbury Park Political Action Fund. As a leader in Minnesota racing, your contributions have been **critical** in keeping our industry strong. Since our launch last summer, donors like you have helped lawmakers understand the vital role racing plays in Minnesota's economy and culture. **Today, we are asking you to renew your support for the Campaign Fund of Canterbury Park.** As we look ahead, the stakes for Minnesota horse racing have never been higher.

The Canterbury Political Action Fund reinforces our industry's voice in these important debates. With support from owners, trainers, breeders, horsemen, and fans, the Campaign helps ensure lawmakers understand the value of horse racing in Minnesota's economy and culture. Last session, your support allowed us to hold meaningful conversations with leaders from all four legislative caucuses and to host tours at Canterbury that showed lawmakers the jobs and community our industry sustains. Canterbury has always worked with legislators and regulators to find solutions that sustain purses and jobs, and Political Action Fund support ensures we can continue that work.

Your renewed contribution will give us the resources to continue our efforts to:

- **Protect and grow purses**, keeping Minnesota racing competitive with other states.
- **Support horsemen and breeders**, ensuring a strong future for Minnesota-bred racing.
- **Advocate for smart legislation** that sustains jobs, enhances racing, and grows our industry.

Contributions to the Campaign Fund of Canterbury Park are strictly voluntary, and no one is directly or indirectly required to contribute. The Political Action Fund is governed by a board of Canterbury Park leaders and representatives of the horse industry, and its resources are used solely to support elected officials, candidates, and caucuses critical to the debate about the future of racing in Minnesota. Please note that corporate contributions cannot be accepted, and all contributions and expenditures are reported to the Minnesota Campaign Finance and Public Disclosure Board.

We hope you will continue your leadership with a significant contribution. Every dollar invested in the Campaign Fund of Canterbury Park helps give our industry a stronger voice at the Capitol and directly supports the future of Minnesota horse racing.

Please complete the enclosed form to renew your support today. On behalf of the Campaign Fund of Canterbury Park, thank you again for your generosity and leadership. If we don't stand up for Minnesota horse racing, no one else will. Together, we can keep our industry thriving.

Sincerely,

Campaign Fund of Canterbury Park Board Members :

Randy Sampson, Chair | John Mentz | Carin Offerman | Justin Revak | Randy Dehmer
